Thanks for your help. While we are not going to bring back the 9am (or 8:45) this summer, we could always use help at St. Thomas Chapel. The Masses are 5:30 on Sat. and 10:30am on Sunday. I will try to get a few albs of different sizes down there. Masses begin at St. Thomas on Memorial Day weekend. So if you think you might want to help, please let me know. I can put together a schedule if we have a few of you interested. Fr Steve
